

# Schedule F of the MDMHA Constitution

## Fundraising Guidelines:

From time to time, parents and players are expected to help meet team and Association expenses through fund raising efforts. The following guidelines will be used for all fund raising activities.

- Direct public support can be requested for activities such as car washes, 50/50 draws, candy sales, etc, provided they are done in good taste.
- Alcoholic beverages will not be permitted as prizes.
- All plans for team fund raising must be discussed and approved at a team parent meeting, and forwarded to the Fundraising Convener for final approval. This practice is to ensure that there is no duplication of efforts within the same community. It is unwise to continually tap the same business all the time.
- The MDMHA Executive is responsible for ensuring that MDMHA guidelines and Municipal By-Laws are followed.
- Funds raised by a team should be used for the stated purpose for which they were raised.
